

HARD WATER CAN BE HARD ON YOU

Hair Fall

Skin Damage

Bathroom Fitting

ENJOY THE GOODNESS OF SOFT WATER

AutoSOFT 2

AutoSOFT 3,6 & 8

ZeroB AutoSoft, an ultimate solution for all hard water problems

ZeroB AutoSoft are aesthetically styled water softeners that soften every drop of hard water and provide you with safe and soft water for daily use and consumption.

It comes in 5 variants: AutoSoft 1, AutoSoft 2, AutoSoft 3, AutoSoft 6 and AutoSoft 8.

Features:

- User friendly, splash-proof, LED display and feather touch buttons
- Automatic operation
- ZeroB purple soft resin
- Built-in salt tank (Available for AS1 and AS2)
- Corrosion-proof body

AutoSoft Home comes with distinctive Purple Resin Media

- Revolutionary food grade resin does not leach out harmful chemicals, and is hence safe for bathing, utensil cleaning and post purified drinking
- Unique purple colour differentiates itself from locally available industrial or recycled resin that is ideally not suitable for residential purposes
- Industrial grade or recycled resin may leach chemicals that are harmful for bathing and indirect consumption

ZeroB Recharge Media (Salt Tablet)

- This pure salt is specially manufactured for softeners to enhance the performance of water softeners
- Commercially available recharge media contains impurities, particle matter that tend to block the internal strainers of softeners
- Available in 20 kg bags

Benefits of AutoSoft

Prevents hair
& skin damage

Maintains heating efficiency
of water heater

Prevents damage of
bathroom fittings & appliances

Saves cooking gas

Retains fabric's
colours & feel
